

blessed in this mountain country.

Mrs. Smith and I are both feeling better and our children are well. I mailed you a Z. C. M. I. calendar showing a picture of some of our country scenery, which I trust will reach you safely.

Mr. Pyper and other members of the Choir have informed me that you were very kind and considerate of them when they were there; and I desire to thank you personally for your helpfulness to make their stay there as pleasant as possible.

Wishing you a happy and prosperous new year, I remain,

Yours very sincerely,
